

Release Date: November 2009

“Trilogy Appoints New Distributor for Argentina, Uruguay and Paraguay.”

Trilogy Communications, which is a world class supplier of audio communications and infrastructure equipment to the broadcast industry, has appointed Technology Group of Buenos Aires, Argentina as an approved distributor of its products.

Technology Group was established in 1994, and is a private Argentinian company led by a team of professionals with many years experience in telecommunications, television and data transmission.

Technology Group will be responsible for sales across the Trilogy product range into Argentina, Uruguay and Paraguay, this includes; Commander & Orator digital matrix intercoms, Mercury IP intercom systems, Mentor XL master sync/test signal generators and Sentinel video/audio signal monitoring.
