“Trilogy Communications Appoints New Swedish Distributor”

Trilogy Communications Ltd, which is a world class supplier of audio communications and infrastructure equipment to the broadcast industry, has appointed JMG Support AB of Bromma, Sweden as an approved distributor of its products.

JMG Support has been servicing the broadcast industry for some 20 years and has an excellent track record for providing the highest quality service to its customers through its experienced team of seven people. JMG has enjoyed immediate success with sales of Trilogy's Mentor XL master sync/test signal generator to clients including Eurosport nordic, twentyfourseven and Morgan Kane.

Mr Johan Küller, Managing Director of JMG Support, said of the deal: "We are delighted with this new relationship and are pleased to have already made sales of Trilogy products into Sweden. I think that with Trilogy's strong focus on innovation and quality combined with our dedication to serving the market that we make a formidable team."

JMG Support will be responsible for sales across the Trilogy product range into Sweden, this includes; Commander & Orator digital matrix intercoms, Mercury IP intercom systems, Mentor XL master sync/test signal generators and Sentinel video/audio signal monitoring.
